ECKERDS DPC PROMOTIONS: WINSTON / DORAL

Dear Linda:

Herkimer Wholesale (SIS #278580) has faxed us a copy of the DPC promotional schedule they received from Gary Jones of Eckerd. However, the second Winston distribution date on his correspondence indicates delivery to retail November 3rd rather than December 1st as indicated in your correspondence.

Herkimer has asked us to confirm the correct retail ship date as soon as possible. Please advise.

Sincerely,

Judy
